The TAM

Celebrate the 22nd anniversary of MALT's 16-mile Trail Around Middlebury. The trail encircles the town of Middlebury and travels through Cornwall, New Haven and Weybridge providing a year-round retreat to near-by hiking, mountain biking, running and cross country skiing.

The Trail links a series of private and town conserved agricultural and forest lands protected from development with help from MALT. Although actively maintained by volunteers, the TAM still costs MALT more than \$10,000 each year to maintain.
